Room 3

Nutrition Class for Parents

Nov. 28th in Library

5:30—6:30 p.m.

Nov. 1 Professional Development for Teachers

Danny Silk will be presenting a workshop with our staff on positive communication strategies. He will share the Love & Logic philosophy as it relates to effective parent, teacher, student relationships. One of our goals this year is to improve school climate by making WES a welcoming and supportive place for everyone.

Road to Reading Success Nite

Back by popular demand! Come learn strategies to help your child become a better reader. K-4 teachers will share ideas for fostering reading development. Refreshments and free materials included!

Free Nutrition Workshop for Parents on 11/28

Come learn how to help your kids like veggies, cook tasty inexpensive meals, stock up on healthy snacks and have fun in the kitchen with the whole family. Watch for fliers coming home later this month.

October's Primary Home Readers

We are very proud of Emily Suda, Colby Miller, Natasha Hodges, and Tatiana Pedrotti for making Primary Home Reader of the Week. Keep up the great reading!

Good Character Award for 1st QTR
Last year WES implemented Character Education. With the help of Mrs. Green and community mem-

bers, students learned the importance of trustworthiness, fairness, respect, caring, responsibility, and citizenship. To continue to show our commitment to these themes WES and Boosters Club have sponsored Character Awards (\$5 gift certificates) given to students who exemplify these qualities. The following students were recognized at our Student of the Month Assembly: Jadyn Wilson, Morgan Taylor, Natasha Hodges, Jacob Graham, Dara Gaeuman, Brian Harper, Susannah Couch, Alex Duree, Kyndra Styczynski, Rachel Benesh, Amber Bunce, Bobby Cunningham, Ashley Price, and Josh McAllister. We are lucky to have great kids at our school!

WES After School Program

The WES After School Program is actively seeking to enroll more students. If your child would like a safe and supportive place to get help with homework and if they enjoy be-

ing with friends and having some fun after school, then the after school program may be the thing you are looking for. There is no charge but enrollment is limited. For

more information about this incredible resource please contact your child's teacher or program administrator Kathleen Graham @ 623-5533 ext. 3503.
