Groundhog Day is a holiday celebrated on February 2 in the United States and Canada. According to folklore, if it is cloudy when a groundhog emerges from its burrow on this day, it will leave the burrow, signifying that winter-like weather will soon end. If it is sunny, the groundhog will supposedly see its shadow and retreat back into its burrow, and

the winter weather will continue for six more weeks.!

WES Booster Club

The Booster Club is selling flowers for that special someone in your life. They can be sent to a friend, a teacher, a parent or just a school pal. Each flower can be purchased for one dollar and all order forms and money are due by February 3rd. Forms are being sent home with students or can be picked up in the office.

Remember every Friday is **SPIRIT DAY**. Be sure to wear school colors (green & gold) & bring in box tops to your classroom so your class can earn spirit points.
